### Cleaning & Care:

- Wipe the surface gently with a clean, soft cloth to remove everyday smudges and stains. For general cleaning, use a mixture of mild dish soap and warm water and with a soft cloth
- If there are stubborn stains or grime, use a non-abrasive bathroom cleaner that is safe for the surface material. Rinse the surface thoroughly with water after using the cleaner, and dry it with a soft cloth.
- To prevent discoloration and damage, avoid placing hot items like hair straighteners. Quickly wipe off any spills of hair dyes, aftershave lotion, nail polish, remover, aerosol spray, or other harsh chemicals to prevent damage and discoloration.
