Cleaning & Care:

- To maintain the tapware's cleanliness, regularly clean it with clean water and a microfiber cloth.
- For coastal areas near salt water, we recommend cleaning the product 2-3 times per week.
- Avoid using harsh cleaners, creams, or citrus-based cleaners. After cleaning, dry the tapware with a clean cloth for a pristine finish.

While we make every effort to provide accurate specifications at the time of publication, Vellano retains the right to make modifications without prior notice. Please note that the physical color of the product may vary from the image shown. All measurements are presented in millimeters. For ceramic products, we kindly ask you to allow for a manufacturing variance of up to ± 10 mm. When marking up and roughing in, always refer to the physical product measurements, as technical drawings may differ from the actual physical products.
