Specifications

Available in:

Satin White
VIE1500SWCAB

Cleaning & Care:

- Wipe the surface gently with a clean, soft cloth to remove everyday smudges and stains. For general cleaning, use a microfibre cloth.
- Any visible signs of water sitting on the surface of the cabinet, remove immediately as water will damage the cabinet if left on the surface to dry.
- Do not use any alcohol or citric based cleaners on the surface. Avoid installing the product close to a water source such as a open shower or bath

While we make every effort to provide accurate specifications at the time of publication, Vellano retains the right to make modifications without prior notice. Please note that the physical color of the product may vary from the image shown. All measurements are presented in millimeters. When marking up and roughing in, always refer to the physical product measurements, as technical drawings may differ from the actual physical products.
