VIE900SWVAC

### Cleaning & Care:

- Wipe the surface gently with a clean, soft cloth to remove everyday smudges and stains. For general cleaning, use a mixture of mild dish soap and warm water and with a soft cloth
- If there are stubborn stains or grime, use a non-abrasive bathroom cleaner that is safe for the surface material. Rinse the surface thoroughly with water after using the cleaner, and dry it with a soft cloth. Avoid hot appliances on the solid surface top.
- Ensure any water on the cabinet surface is removed as soon as possible and dried with a soft cloth. Make sure the cabinet is not positioned where it is exposed to water.

While we make every effort to provide accurate specifications at the time of publication, Vellano retains the right to make modifications without prior notice. Please note that the physical color of the product may vary from the image shown. All measurements are presented in millimeters. For ceramic products, we kindly ask you to allow for a manufacturing variance of up to  $\pm 10$ mm. When marking up and roughing in, always refer to the physical product measurements, as technical drawings may differ from the actual physical products.
